

# BABY BOUNCERS

AGES 0-1 YR.

WEDNESDAYS FROM 10:30-11:00AM

This program is designed for babies developing language skills by using lap bouncers, finger-plays, nursery rhymes, and songs. This is an interactive program tailored to babies.

We welcome older siblings, as long as space is permitting. We often suggest you bring a doll or stuffie so the sibling can follow along. Children must be accompanied by a caregiver.
